1920s SPEAKEASY GAMING EVENT OF THE SEASON

Upping the Ante for Creative Educational Programs

West Palm Beach, FL February 2016 – All guys and dolls are invited to join the non-profit Resource Depot at a “Speakeasy Soiree”, transporting participants back to the roaring 20s for a spectacular night of casino-style gaming to benefit this eco-conscious organization providing creative educational programs to all of Palm Beach County.

The 9th Annual Evening for the Earth fundraising event takes place from 6:00 to 10:00 PM on Saturday February 27th, 2016 at the Abacoa Golf Club in Jupiter. This stately ballroom, with plush carpets, full-length windows overlooking gorgeous manicured greens, and glittering gold décor will set the mood. Guys are encouraged to show up in suits and dolls invited wear their best glam 1920’s attire. Colorful mobsters and character gangster actors will be in attendance to add to the full ambiance of the evening.

Some of the additional highlights and special surprises being offered include an exclusive appearance from Ashleigh Walters of Channel 5 WPTV as the guest emcee for the evening. There will be an old-time speakeasy photo booth on hand for gues to capture memories of the night as well as a catered menu of heavy hors d’oeuvres and free flowing spirits all throughout the evening.

As guests arrive they will be given complimentary chips to place their opening bid for the evening. At each table there will be authentic casino-style professional croupiers, which makes it fun even for those who are new to the game as the croupiers guide guests along the way. Come try your hand at the many blackjack tables, roulette wheel and craps table.

Another delicious activity to partake in is the “wine pull”, where participants purchase a cork to get matched with a mystery bottle, valued at \$15 or more. There will also be more than a dozen exciting raffle baskets valued at \$500 or more each. And probably most exciting of all, there is going to be a live auction for a week’s stay at a vacation home in the mountains of North Carolina.

Casino Party Nights Florida, Inc., who will be hosting the evening, has gone above and beyond the average casino party to bring authenticity and professionalism on a scale comparable to Las Vegas. Experienced dealers will be on hand to transport guests to a night out in 1920’s Monte Carlo with all the action of a real casino, with the unique style, sophistication, elegance, and excellence. No expense has been spared to create the most authentic casino gaming experience in the entire state of Florida.

A tremendous note of gratitude goes out to this year’s sponsors thus far: Solid Waste Authority; Florida Power & Light; Hart-Lines, Inc.; Kevin Murray PR & Events; The Michael and Annie Falk Foundation.
